Dear CFMA of Central Indiana Member:

Mark your calendar! Your Central Indiana Chapter of CFMA has developed a scholarship just for members. We are prepared to give away \$1,500.00 to one of our members to help with college or trade school bills or help contribute to a 529 savings plan. Just sign up, suit up, and show up to our Scholarship Dinner meeting on **Thursday, February 19, 2009** at Hillcrest Country Club to see if you've won!*

YOU MUST BE PRESENT TO WIN!

We are also awarding \$1,500.00 scholarships to students from Purdue, Indiana University – Bloomington, and IUPUI. These students have a minimum GPA requirement and must be recommended by their department head.

Back to our drawing.....at our dinner meeting, one of the university scholarship recipients will draw the winner from the applications submitted at the dinner meeting. To be eligible, fill out the attached scholarship application form, meet the simple terms outlined, and turn in your completed application that evening at the registration table. You could be our winner!

Remember, you must be present to win!

Good luck,

Rebecca Ogle
