

2010 Construction Knowledge Networks

share - connect - interact - communicate

Knowledge Networks are your opportunity to earn Two hours of CPE in a relaxed, roundtable setting. We are proud to announce the 2010 line-up of the always popular **Central Indiana Chapter of CFMA Construction Knowledge Networks**. These sessions include the discussion of dynamic topics specifically as they relate to the construction industry. We are sure you will enjoy these time-appropriate subjects as well as have the opportunity to share some of your personal insights benefiting both you and your fellow colleagues. You won't want to miss the 2010 sessions which include Bankruptcy; Forensic Accounting Issues; and Effective Pre-qualification and Verification Processes.
